Narberth Wins Right to Battle Gladwyne for Main Line Title

Davismen Beat Paoli, 6-1 and 3-2; Brookline Loses 4-2 and 4-3

SERIES ON TOMORROW

With last week-end's elimination of Paoli and Brookline in the Main Line League playoffs, Narberth will meet Gladwyne this Saturday in the first contest of a possible five-game series to decide the championship of the circuit.

Tomorrow's fray will be played at the borough playground with the game on Sunday being staged at Gladwyne.

Narberth set down Paoli in straight games, 6-1 and 3-2, while Gladwyne administered similar defeats to Brookline, 4-2 and 4-3.

In Saturday's contest Walt Masters yielded eight hits to Charlie Spellman's boys but kept them scattered. The Davismen only garnered seven bingles off Johnny Jackson but made six runs out of them plus a wild pitch, an error and four walks. A three-bagger by Carlsten and a homer by Herb Ogden helped for Narberth.

Lefty Burdsall pitched a good game for Brookline but was a bit wild allowing eight passes. He was also guilty of a wild pitch while his opponent, McSorley of Gladwyne, made two bad heaves.

On Sunday Narberth fans saw a beautiful pitchers' battle between Al Herrmann and Wedo Martini. Herrmann struck out seven while Martini fanned six. Each allowed but six hits. The deciding factor for the Davismen was their excellent fielding featured by a one-hand stop by Swede Carlsten and a shoe-string catch by Fox when extra base hits meant runs.

In their final game, Gladwyne and Brookline each made eleven hits but the former delivered the most extra-base blows. Wagner was the winning pitcher, Azpell the loser.

Better Merchandising Methods Discussed at Business Clinic

Arthur Freeman, Retail Service Executive, Addresses Main Line Merchants

FIVE MORE MEETINGS

Representatives of scores of leading Main Line firms Monday night heard Arthur Freeman, former executive with Gimbel's and Macy's New York stores, outline the aims to be accomplished by a Retail Merchants' Clinic.

The clinic will be held on five Monday evenings, beginning October 4, at the Merion Cricket Club, Haverford, scene of Monday night's session. Business men from Bala-Cynwyd and Narberth to Malvern were present.

Mr. Freeman, who also has headed his own advertising and display service business, talked to the men rather than addressed them.

Outlining the meetings to come, he said the first part would consist of a discussion of the proven fundamentals of business; namely, goods, market, advertising, distribution and financing. The second part of each session will be devoted to an open forum on the topics under discussion.

"Having the right kind of goods is the beginning and end of business," Mr. Freeman said. He also touched briefly on the market, "whom you can sell and where," advertising and financing.

He was introduced by Ralph S. Dunne, one of the committee sponsoring the clinic whose other members are Alvin E. Shull, F. Engle Taylor, Robert R. Picking, Edward T. Baner, F. J. McCurry and John V. Nolan.

New Equipment for Library

Trustees of the Narberth Community Library on Tuesday night authorized the purchase of new shelving and other equipment. Action was taken on recommendation of the Administration Committee headed by Mrs. Robert F. Wood. The Rev. R. E. Keighton, president of the board, presided.

Miss Betty Mills will become the part-time assistant at the library, succeeding Miss Mary Louise Glessner, who is resigning.

Smedley and Gowland Nominated for Magistrate in Borough Contest

With a sizable plurality, Horace T. Smedley was high man in Narberth's four-way contest Tuesday for two Republican nominations for magistrate. He also received a Democratic nomination, if legally allowed, when a few voters wrote in his name on their ballot.

Roy I. Gowland was the other G. O. P. nominee chosen with a scant margin of fourteen votes over Vincent Cunningham, while Magistrate Howard C. Fritsch ran fourth, forty-one votes behind Cunningham.

The continuous efforts of Smedley and Gowland workers up to the end of the day's voting no doubt won them victories in this close contest.

Cunningham, who carried the second district and was second in the first district, lost out when he ran a bad fourth in the third district, polling only fifty-five votes.

The defeat of Fritsch, Narberth justice of the peace for the last eighteen years, was ascribed to his failure to make any effort to win the nomination, relying on his record to carry him through. An independent "sticker" movement to try to elect him in November is said to have been started.

Magistrate Joseph T. Magarity, only candidate of his party on the ballot, received a total of 149 votes. Votes by districts, first, second and third, and totals of the four Republican candidates are:

Smedley—220, 233, 174; total, 627. Gowland—141, 194, 131; total, 466. Cunningham—147, 250, 55; total, 452.

Fritsch—141, 172, 98; total, 411. Other borough nominees, all of whom were unopposed, and the votes they received are:

Council—(Republicans) Henry P. Carr, 1035; Walter A. Fox, 1057; Clarence Kaerber, 1034; Frank A. Schrepfer, 1034; (Democrats), Kenneth L. M. Pray, 142; Bruce E. Breyer, 126.

School Director — (Republicans), Mrs. H. R. Rinehart, 1036, and Dr. Walter Steckbeck, 1037, for six-year terms; Robert C. Collins, 1062, for unexpired two-year term; (Democrat), Harmeline Y. Rich, 141.

Burgess—John R. Hall, Republican, 1077; Anton E. Wohler, Democrat, 151.

Tax Collector—Edwin P. Dold, Republican, 1057; Mrs. Olive S. O'Sullivan, 146.

Auditor—F. R. Gifford, Republican, 1051.

Construction Delayed on Local Postoffices

Narberth, Merion, Wynnewood and Rosemont Buildings Held Up 3 Years

Failure of Congress to appropriate sufficient funds, it is believed, will postpone the building of postoffices in Narberth, Merion, Wynnewood and Rosemont for three years.

While \$70,000,000 was asked of Congress by the Postoffice Department, only \$23,000,000 was made available by the legislators for this year and it is understood the program calls for similar amounts during the next two years.

It is felt there is a possibility of Narberth and Merion, which were on the department's "preferred list," receiving their buildings a little sooner than some of the other fourteen Montgomery County towns slated to get new postoffices.

The Main Line projects were to cost \$75,000 each, including building and site.

Art Center for Main Line Organized at Bryn Mawr

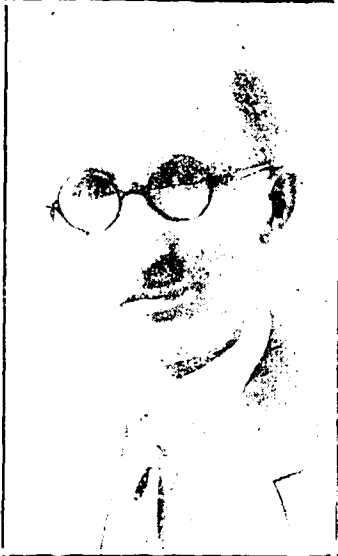

A newly formed art center, with headquarters at Polo avenue and Haverford road, Bryn Mawr, was announced this week by Mauby Kimball, Jr., who will have charge of the arts program.

According to Mr. Kimball this nonprofit organization is being formed by a large group of socially and artistically prominent Main Line people and will open the first week in October.

The executive secretary will be Mrs. Dorothy T. Fuller while the treasurer is Bruce Hyndman.

Painting, sculpture, piano, class work in music and rhythm, chorus, dancing, and pottery are included in the program.

Popular Burgess

JOHN R. HALL who received the highest number of votes cast at the Republican Primaries Tuesday in Narberth—1,077. He was unopposed for re-nomination as Burgess.

Hess Vote Smothers Lachman's Township Treasurer Ambition

Lower Merion Republican Leader Defeats Manufacturer, 5692 to 876

By a margin of six and one-half to one, Peter C. Hess, Lower Merion Republican leader, was nominated as his party's candidate for township treasurer for the fourth time on Tuesday.

He received 5692 votes to 876 for his opponent, Charles Lachman, Pen-coyd manufacturer, in Lower Merion's only primary contest.

Although badly defeated, Lachman may face Hess again at the November election since Democrats, in a sticker campaign, gave him 272 votes in five districts on their ballots.

Hess carried every district with ease. Only in South Ardmore No. 2 was Lachman even close. There he received 171 votes to 191 for Hess.

Merion gave the township leader his biggest vote of confidence, 567 to 33 for Lachman, with the margin in General Wayne, 381 to 35.

Needlework Guild All-Day Serving Session Wednesday

The first monthly all-day fall sewing and business meeting of the Narberth Branch of the Needlework Guild will be held in the Community Building this Wednesday, beginning at ten o'clock. A cordial invitation is extended to contributors and everyone who is interested to meet with the members and sew.

The annual offering will be held on November 10 at the Narberth Lutheran Church. As there is such a demand for clothing the members of the Guild hope that all who possibly can will join with them in making preparations for their ingathering.

Bring a box luncheon. Tea and coffee will be served.

Players Raise Curtain With Hit; 5 Dramas and Chairmen Announced

The Narberth Players held their first meeting of the new season Tuesday night at Elm Hall, Narberth. From the size of the audience who saw a very fine entertainment one would feel that the coming season gave every indication of being the most successful in the seven years' history of the players.

A fine program included Harry Rose, the mechanical man, who gave a performance of most unusual interest. It was almost mystifying and everyone was fascinated. The feature of the evening was Marjorie Flynn's Puppet Show. Her presentation of a little four act play "The Greatest Show on Earth" pleased all and one marvels at the change of voice without a slip-up.

For the coming season the following plays have been announced with dates of production—October 22-23, "Petticoat Fever;" December 3-4,

More Raises Given Borough Employees; New Post Created

Increases of \$10 Monthly Allowed; Fire House to Have Night Man

EFFECTIVE OCTOBER 1ST

Narberth completed its restoration of pre-depression pay cuts Monday night when Borough Council approved the recommendations of a wage survey made by a special committee headed by Clarence Kaerber.

Increases of \$10 a month were given to Mrs. Ruth W. Grace, assistant borough secretary, and to Edward Ensinger, custodian of the community building and playground, whose base salaries will become \$135 a month effective October 1.

Council also approved a plan for both full-time day and night watchmen. The day man will receive \$135, an increase of \$10 for the post, and the night man \$125, each to work 12-hour shifts. Previously the night man's job had been part-time, paying only \$15 a month.

No recommendations were made for the borough laborers whose wages were adjusted recently or for the police force whose salaries conform to the standard set by the Lower Merion Police Department.

Garbage disposal bids opened revealed that Mrs. Martha Funston, Conshohocken, asked \$1800 for a one-year contract and \$5400 for a three-year term, while W. Losinski, Newtown Square, bid \$876 and \$2700 for the same periods. No action was taken.

A letter from A. E. Wohler, calling council's attention to the insects which are eating the foliage on the evergreens on the west side of the grandstand on the playground, was read, and the Borough Shade Tree Commission was requested to eradicate the pests. It was brought out that the Shade Tree Commission has not met for three years and appears

Christ No Socialist Minister Tells Rotary

That Jesus Christ devoted his teachings to the moral and spiritual conditions of man, rather than the material, was brought out Tuesday by the Rev. Archer E. Anderson, speaking before the Bala-Cynwyd-Narberth Rotary Club.

Mr. Anderson, minister of the Narberth Presbyterian Church, discussed the issue of Socialism and Communism as found in this country and in Russia. The United States, he pointed out, has always debated the problem with ballots, rather than through force.

Spiritual decay will continue in this country, he said, unless the people become concerned with spiritual, rather than material affairs.

Margin in Narberth 572; Wilson Takes Lower Merion by 468

GLASS BEATS ANDERSON

In Montgomery county's only major Republican contest Tuesday, Earl B. Bechtel, Pottstown borough treasurer, won the nomination for prothonotary by a plurality of 7,000, receiving half of the 42,000 votes cast.

He was high man in a majority of the county's districts, losing in Lower Merion by 468 votes but winning in Narberth by 572, to take the Main Line by 104.

Walter A. Wilson, former Norristown burgess and editor, carried Lower Merion by 468, Cheltenham by about 1,000, ran well ahead in the districts bounding Norristown, but lost that borough itself by 584.

William T. Muldrew, president of the Montgomery County Firemen's Association, ran a surprisingly good third. While only receiving about one-eighth of the county's total vote he was high man in Abington and Jenkintown, his home districts, and in Hattboro.

Major Romanus Fellman of Norristown finished a poor fourth.

Total unofficial returns were: Bechtel, 21,355; Wilson, 14,118; Muldrew, 5,779; Fellman, 1,368.

While Narberth, under the leadership of Charles V. Noel, was solidly for Bechtel, giving him 816 to 244 for Wilson, 24 for Muldrew and 12 for Fellman in the three borough districts, Lower Merion was a study in contrasts.

Peter C. Hess, township treasurer, backed Wilson and was vice chairman of his campaign committee. Arrayed for Bechtel were Fred C. Peters, president of the County Commissioners; William G. Hower, county Recorder of Deeds; Magistrate Franklin P. Kromer and Samuel K. McConnell of Penn Wynne.

Wilson won nine districts in the township, seven went to Bechtel and one, East Bryn Mawr, was even.

For Equal Representation

This being the Sesqui-Centennial anniversary of the United States Constitution, it is particularly fitting that Narberth should have gone on record so overwhelmingly in affirming the principle that all the sections of Montgomery County should be represented in representative office holders.

The aid given toward the Republican nomination of Earl B. Beehtel, of Pottstown, for prothonotary by this community was due to the efforts of Charles V. Noel and the borough Republican Committee with the willing assistance of many loyal workers. It represented a decisive victory together with an appreciation of the improvements that have come to Narberth from the county in the way of better highways.

In the one local contest—a strictly independent fight for G. O. P. magistrates—hard work, organization and especially a publicity sense decided the nomination. With four good men from whom to select two nominees, and no other considerations being apparent, the citizens voted for those whose candidacies had been brought before them most forcibly and most favorably.

"Tobacco Road" With Excellent Cast Opens Monday at Erlanger

"Tobacco Road," the outstanding stage success of the last twenty years, will open at the Erlanger Theatre Monday night for a two-weeks stay. There will be matinee Wednesdays and Saturdays.

The success of this much-discussed play is attributed to the fact that it shows a truthful section of life among the penniless share-croppers of the back-country of Georgia.

"Tobacco Road," takes a typical family of tenant farmers living in squalor and poverty, ignorant of everything but sex and religion, and shows the humor and the drama to be found in the routine of their daily lives.

Taylor Holmes will have the leading role as Jetter Lester, the middle-aged, shrewd, philosophic, lazy share-cropper.

COSTS ARE RISING! PRICES of everything are rising. Manufacturing costs are soaring. We cannot say exactly what the factory will do. But it stands to reason that selling prices must be advanced to meet rising costs . . . and it may happen any day!

MANY PRICES ALREADY RAISED! You've SEEN most car prices jump in the last few weeks. But we can still deliver a big, beautiful Chrysler Royal at its original low price. You may never see such a buy again . . . and next week may be too late!

You save on purchase prices if you buy now . . . but that's only part of the story. This wonder of Chrysler engineering saves you money every day you drive it.

Owners report 18 to 24 miles per gallon. Oil consumption is

amazingly low. Chrysler quality means few repairs and longer life.

DON'T DELAY! IF YOU NEED a new car, why not save money by buying it now? Trade trouble and expense for saving and satisfaction. But do it now! We can't guarantee against higher prices a single day ahead.
